FREQUENTLY ASKED QUESTIONS

What is the Balcony-or-Better Club?

With the Balcony-or-Better Club, you will be assigned a seat in the balcony and then on the day of the show, you can check with the Straz Center Ticket Sales Office beginning 90 minutes before curtain time to see if there are unsold seats available in other sections of the theater. If so, we will upgrade you into a new seat. If not, you remain in your assigned balcony seat. These special promotional seats are subject to availability and other restrictions.

When will I hear back from you about my season ticket order?

Between June 1 and July 1.

Why does it take that long?

Between now and the season ticket renewal deadline on May 15, we'll be processing all of the people who renew their same seats with no changes. After May 15, we'll know which seats have not been renewed and what inventory we have available to accommodate seat change requests and new season ticket holders.

What are you doing between May 15 and June 1?

We will prioritize accounts that have requested changes. Priority is based on a variety of factors, but these are the top four taken into consideration: whether the season ticket holder is also an Opera Tampa League Member; length of time that one has been a season ticket holder; level of Membership; the order in which requests are received.

The moral of the story is this: Keep renewing season after season, make an annual membership gift to Opera Tampa and send in your payment right away, and you will continue to move up in the priority queue.

I WOULD LIKE TO BUY ADDITIONAL TICKETS TO ONE OR MORE OF MY SEASON TICKET SHOWS.

When can I do that?

Opera season ticket holders receive priority and will be given the opportunity to buy additional tickets before the general public. You will receive a notification by mail or email as soon as those dates are available.

I NEED MORE INFORMATION ON DEADLINES AND TIMING.

How can I save the most money?

Order your Florida Opera Festival season tickets by May 15, 2013 and receive the greatest discounts! Mailed ticket orders should be postmarked by May 10, 2013. Don't delay — order today!

When will I get my season tickets?

They will be mailed to you on or around Oct. 1, 2013.
